-

## **WINDOW TYPE**

Double hung & casement

## **WINDOW CONFIGURATION**

1/1; 1-light

## **SIGNIFICANCE**

This 1890s Queen Anne house may be eligible for local landmark designation as the home of Dr. John L. Taylor, a physician who served as Lake County coroner for 43 years.

## **HISTORIC FEATURES**

Steeply pitched side gable roof; fishscale shingles and sunburst motif on gable walls; polygonal full-height bay with pointed roof at southeast corner of facade; full-front porch structure with triangular pediment over entry; historic wood windows, some with Queen Anne-style upper sash

## **ALTERATIONS**

Replacement floor, railings on front porch; 1-story rear addition and 2nd story rear addition (post-1948); some replacement windows in original openings on west elevation

**HISTORIC INFO**

Historic photo (1950s) and information at Illinois Digital Archives ( in collection of Libertyville-Mundelein Historical Society and Cook Memorial Public Library:  
<http://www.idaillinois.org/cdm/singleitem/collection/cookmemo11/id/1960/rec/1> "This house stands at 128 Broadway, at the northwest corner of Broadway and right Court. It is more than one hundred years old. It was the home of Dr. John L. Taylor who was born in Staceyville, Iowa in 1866 and came to Libertyville as a youth. Taylor graduated from Rush Medical College in 1894 and began practicing medicine in Libertyville. He married Laura Schanck on June 1, 1895. Dr. Taylor was said to have delivered 3000 infants during his 50 years in medical practice; he also served as Lake County coroner for 43 years and was active in civic affairs. Automobiles were an early passion; he drove his first car around town in 1907. A classic example of the "country doctor," Dr. Taylor was well loved and respected by the entire community. On the day of his funeral, May 9, 1944, Libertyville village businesses closed from 2 to 3 o'clock in the afternoon."
